Dear Ms. Carol,

Thank you for
teaching me to write with a
quill pen and ink. I also
liked writing on a
slate board because it's
like chalk.

Sincerely,

Dear, MS. Barbara

I loved when we ate like 3 pieces of cornbread MS. Carol made. I also liked when we did parts in the trading post (that was my favorite). We liked the Mr and Mrs Auner's house. Also washing clothes, summer bread oven, chopping wood, churning butter... Thank you so much MS. Barbara your the best field trip leader. I'm going to rember this my whole life.

Sincerely,
